

Ospreys RAG U'18's

Selection for the U18 squad is finalised through ID of the competitions played at U18 level, be that club, school or college. Players identified through talent ID networks will be monitored through these fixtures and recommendations from local Coaches, Regional Development Officers and Ospreys staff forming selection.

With around 100 players coming through U16 level, the aim is to ensure that everyone has an equal opportunity to progress to the next level. There are numerous examples of players who make selection at a later date who were not identified at an early age. Within the senior squad, players such as Adam Jones, Justin Tipuric and Sam Lewis are examples of this. The door is never closed.

Congratulations to those players who have made the initial selections to train in pre-season.
